SureCatch®

PREMIUM SQUID JIGS SET

- Durable high density wood construction.
- Special fiber cloth material.
- Special luminous effect.
- Sharp, extra strong squid hooks.
- Various attractive colours & sizes.

SIZE : 3.5

SIZE : 1.5

SURESQUID™ Lures are made specially for the squid fishing as they can move in the water almost like a natural shrimp. The shrimp body is wrapped with special fibre cloth material and has been given special luminous coatings at areas where the squids are most likely to attack and get hooked.

BONUS HOOK PROTECTOR
